

# Heritage Academy (Pearson Academy System) Feedback

Feedback School As of Mar 4, 2016	For Potential Closure	Against Potential Closure	Undetermined
Heritage Academy			
Pearson Academy	1		

## Representative Sample Comment:

I believe that closing Heritage Academy school is a move in the right direction for the community of Greenspond. At Pearson Academy there will be many wonderful opportunities for socialization with a larger number of peers of the same age, with classrooms averaging around 18 students. Social growth is especially important in the primary school years. There will be many more academic opportunities as well in a school with a high student population. Students at Pearson have opportunities as well for physical development as there are endless sports at all grade levels. Overall, I feel that this move to Pearson Academy would provide wonderful opportunities for positive learning and mental & physical growth for the students of Heritage Academy.
