*June 29, 2018*

### **Board Chair Congratulates Schools on Another Successful Year**

Please find below a message from the Chair of the Newfoundland and Labrador English School District Board of Trustees, Goronwy Price:

“As students experience their first full day of summer break and our teachers, administrators and support staff finish up their final hours of the year in schools throughout our province, I would like to take this opportunity, on behalf of the Board, to congratulate our school communities on the completion of another successful school year!

Without the help of each staff member and school volunteer throughout the province, we would not be able to provide the safe, caring and socially just learning environments we strive for each day. We want our schools to be places of hope, and our students filled with confidence that they can succeed; their efforts ensure we do just that.

To all our students, congratulations on the completion of the school year and your many personal and academic accomplishments. I know at times the school year can seem long and filled with challenging moments, but in the end your efforts have made it worthwhile.

Oh behalf of all 17 of our trustees, as well as staff at the District offices throughout the province, I wish everyone a happy and fun summer. Take time to relax and enjoy each other’s company, be safe in all you do, and I look forward to seeing you again in September.”
